

Breastfeeding Support Group

**For new and
experienced
moms!**

This support group is for you if you are pregnant, breastfeeding, bottle feeding, pumping, or formula feeding. We also encourage moms who want to learn more about breastfeeding/pumping to join us twice per month at The Breastfeeding Center of Charleston-Summerville office.

**Looking to connect with
other moms?**

This is a mom-to-mom support group lead by an IBCLC! You may come to listen, talk, or just get out of the house.

Come as you are, bring baby &/or siblings, and any female support person (if desired), and relax. This group is offered to you at no cost!

**Every Other Tuesday
@ 11am-12:30pm
Address: 2015 2nd Avenue
Summerville, SC 29486**
